### CLEARINGHOUSE RULE 09-019

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]**

#### **2. Form, Style and Placement in Administrative Code**

It is assumed that the rule is intended, when it becomes effective, to apply to an applicant for licensure regardless at what stage the applicant is in the application process. For example, if an applicant is scheduled to take the practical examination but the rule takes effect before the date of the examination, the applicant will not be required to take the scheduled exam. If that is not the intent, an “initial applicability” provision should be considered.
